

## Business Assignments

<b>Assignments</b>	<b>Page</b>
Mathematical Operators.....	1
Format Font, Border, Shading, Column Width, Page Alignment, Superscript Headers, Footers, Margins, Fit to one page, Saving, Printing	
Mathematical Operators Formulas to check work.....	1a
Business Formulas mathematical operators.....	2
Math Functions (SUM, PRODUCT, QUOTIENT, POWER) Formatting Numbers.....	3
Fill Handle, Statistical Functions, Wrap Text, Commas, Currency, Decimal Places Math/Statistical Functions (SQRT, LOG, LN, SUM, COUNT, MAX, MIN, AVERAGE) Formatting Numbers Exercise.....	4
Business Formulas and Column Chart Introduction.....	5
More Business Formulas with Column and Bar Charts.....	6
Trade Discounts.....	7
NOW date function and style Income Statement.....	8
Shadows, Pie Chart with 2 color fill effect, Data Sort Accounting Balance Sheet.....	9
Absolute Reference, Per Cent Simple Interest ( $I = Prt$ ).....	10
IF function Simple Interest ( $S = P(1 + rt)$ ).....	11
Autoshapes (arrows, textboxes) Compound Interest Calculations ( $S = P(1 + i)^n$ ).....	12
Future Value Function Compound Interest Calculations ( $P = S(1 + i)^{-n}$ ).....	13
Present Value Function Compound Interest Calculation for time period (n).....	14
Natural Logarithm (LN) Function Equivalent Rates of Interest- Nominal vs. Effective.....	15
EFFECT and NOMINAL Functions Ordinary Annuity Maturity Value Calculations.....	16
Ordinary Annuity Present Value Calculations.....	17
Ordinary Annuity Calculations for the size of the payment ( R ).....	18
Payment (PMT) Function Ordinary Annuity Calculations for the number of payments (n).....	19
Number of Payments (NPER) Function and ROUNDDOWN Function Deferred Annuity.....	20
Annuity Due Calculations Maturity Value and Present Value.....	21
Mortgage Payments and Car Payments Calculations.....	22
Amortizing a loan calculations.....	23
Credit Card Repayment Calculations.....	24
Line Charts for Automobile Depreciation.....	25

Monthly Expenses (Pie Chart), Car Sales (Bar Chart), Computer Sales (Scattergram).....	26
Future Value of Investment Scattergram, Maturity Value Scattergram .....	27
Paycheck Deductions with Column Chart .....	28
Creating a Budget for yourself with Column Chart .....	29
Paycheck Deductions with Column Chart .....	30
Simple Interest vs Compound Interest Calculations with Column Chart .....	31
Calculation of Student Grades .....	32
IF and Nested IF, VLOOKUP functions	
Home Sales Statistics Type 1 Calculations.....	33
Best Fit Line on graph with equation, Statistical DataPak Add in	
Home Sales Statistics Type 2 Calculations.....	34
Home Size vs. Dollar Cost Statistics Calculations .....	35
Advertisements versus Product Sales Statistics .....	36
Employee Age versus Sick Days Taken Statistics.....	37
Photocopy Age versus Maintenance Costs Statistics .....	38
Data Base Sorting.....	39
Data Base Filters (Queries) .....	40
Data Base Queries with Subtotals .....	41
Data Base Queries with Logical Operators (AND) .....	42
Data Base Queries with Logical Operators (OR) .....	43
