

Table of Contents

<u>Assignments</u>	<u>Page Number</u>
Mathematical Operations (Add, Subtract, Multiply, Divide, Square Root, Exponents)	
Format Font, Border, Shading, Column Width, Page, Alignment, Superscript .	1
Formulas.....	2
Mathematical Operators	3
Formatting Numbers	
Fill Handle, Statistical functions, wrap text, commas, currency, decimal place.	4
Formulas.....	5
Formatting Numbers Exercise.....	6
Creating Formulas.....	7
Creating Formulas formula page.....	8
Formulas Exercise.....	9
Perimeters and Areas	
Auto Shapes, Bold, Italics, Superscript, Patterns, Printing formulas.....	10
Area Exercises (Ab\$olute Reference)	11
Volumes (Ab\$olute Reference)	12
Volume Exercise (Ab\$olute Reference and IF function).....	13
Area of Triangles, Pythagorean Formula	
Superscript	14
Triangle Exercise.....	15
Trigonometric Functions and Right Triangles	
Cos, Sin, Tan, Radians, Degrees, Arc Sin, Arc Cos	16
Equations (Series).....	17
Physics Equations Exercise (Absolute Reference).....	18
Line Charts Exercises	19
Creating Charts (IF Statements).....	20
Charts Exercise.....	21
Paycheck Deductions Exercise	22
Creating a Budget for yourself.....	23

Heat Loss Comparison.....	24
Accelerations and Velocity (Subscript).....	25
Acceleration and Velocity Exercise	
Change scale on graph axis	26
Graphing Parabolic Curves	27
Graphing Another Parabolic Curve.....	28
Properties of Logarithms (LOG, LN, Base e, e^n).....	29
Logarithms Exercise.....	30
Paycheck Deductions	
Data Sort, Fill Effects on Chart, Alignment of Text on chart, Data Label	31
Class Marks	
IF, Nested IF, VLOOKUP.....	32
Quadratic Formulas	
If Statement	33
Interest Calculations.....	34
Electrical Insulation Degradation Statistical Evaluation Type I	
Statistical Analysis Tookpak, Greek letters, mean, variance, etc.	35
Electrical Insulation Degradation Type II.....	36
Best Fit Line or Linear Regression	
Adding trend lines to chart, R^2	37
Linear Regression Exercise (Type 1)	
IF, Nested IF.....	38
Linear Regression Exercise (Type 2)	39
Response Signals of a Chromatography Instrument Statistical Analysis	40
Geometry Slope-distance Formulas.....	41
Database Sorting	
Multitasking, Name database, Sort.....	42
Database Filters (Queries)	43
Student Database Filters with Subtotals.....	44
Database Filters (Queries) with logical operators Type I.....	45
Database Filters (Queries) with logical operators Type II.....	46
